Additional insurance for any NASP® or Centershot instructor.

Members of 3-D International Inc. will automatically be enrolled in the organization's Errors and Omissions and General Liability insurance program upon acceptance of their application and payment of dues.

The Professional Liability part provides coverage for claims alleging negligent actions, omissions, or breach of duty in the scope of a member's activities as an instructor for 3-D International. The General Liability part of 3-D International insurance package will pay those sums that the member becomes legally obligated to pay as damages because of bodily injury or property damage to which this coverage applies. The insuring company will have the right and duty to defend the member against any suit seeking those damages.
