Hi! My name is _____ from _____ Schools Archery team. I am working to earn my own bow, and to help fund our team. We are selling HybridLight **Solar** Powered LED Flashlights: the Journey 160, and the PUC 150. They all recharge with solar or through the Micro USB, and they even Charge Your Phone!!! We are also selling The NAV Headlamp with Multi-Colored LED's, and a MicroUSB port for charging. You will never have to buy a battery again. All products hold a charge for 7 years when stored. They are great for preparedness, emergencies, and daily use. These lights work every time you need them, and every light comes with a life-time guarantee!

By purchasing these lights, not only will you get a great, dependable Light, but you will also be helping me reach my goal.

Can you help reach my goal?
